

Project - January 2022

Go date: 01 January 2022

Starting 01 January 2022, through to 31 January 2022, Sewing for Charity Australia's main project will be sewing and knitting/ crocheting bunnies for Easter gifts for Premmie babies in Australian Hospitals.

Who are we supporting this project?

The charity and community partners we are focusing on this project are:

Life's Little Treasures Foundation

Australia's foremost charity dedicated to providing support, friendship and information, specifically tailored for families of premature or sick babies.

The Foundation's services are available in hospitals (neonatal and special care units) and in the community when families come home

It was founded in 2005 by parents, all of whom had a sick or premature baby. They realised how important it was for families to have access to information and a community they could identify with and feel apart of. Someone who understood the challenges that they faced.

Having a child that is sick or premature can be a very traumatic rollercoaster ride and the Foundation strives to give families the support and assistance they need.

FAQs

II. What items do we need the most?

- A. BUNNIES!

III. Do I need to pre-wash my fabric?

- A. Yes please! Fabric should be pre-washed hot OR washed cold and dried in a clothes dryer on hot. This serves several purposes - removal of residual dye that may run / bleed; removal of factory chemicals / residues from the fabric manufacturing process; shrinking of fabric (if it is inclined to do so). This process needs to occur BEFORE cutting.

IV. I need fabric for this project. Can this be sent to me?

- A. Yes! We can usually send you fabric from donations at the lair. If possible, please consider covering postage. Contact Admin to arrange.

V. Where do I send completed items?

- A. Completed items should be sent to 38 Bladensburg Dr Waterford QLD 4133

VI. What courier service should I use to send in items?

- A. Use whichever courier or postal service you would like. As a guide, our volunteers have found the below services to be of good value:
- For a small number of items (up to 1kg) - Australia post satchel
 - For larger, heavier items (>1kg) - Sendle courier service

VII. I made a mistake! Should I bother finishing / sending the item in?

- A. Yes! Many charity groups use items of all sizes throughout the year. Even if the specific charities this month are unable to use it, be assured every item can find a grateful home.

VIII. I need some hands on guidance - can someone show me how to make one?

- A. Probably! Some options are below. Have a chat and we may be able to find another sewing volunteer locally you can collaborate with outside of the regular community groups!
