HAIR ACCESSORIES

WHY ARE THEY NEEDED?

Hair accessories may be small, but they add real value to a care pack by supporting both practical needs and emotional wellbeing. Items like hair ties and clips help keep hair clean and manageable, while also allowing individuals to feel more put-together and maintain a sense of dignity.

They offer a simple way to express identity and can bring a small moment of joy, helping care packs feel more personal and thoughtful rather than just essential.

WHAT HAIR ACCESSORIES DO WE ACCEPT?

Hair accessories can be store-bought or handmade - think scrunchies, hair ties, clips, pins, and headbands - all of which are useful across a range of projects for children through to adults.

When making them, please consider quality and durability:

- Does the elastic have good recovery?
- Are attachments secure?
- Will they withstand regular use?
- Are they both functional and appealing?
